FOR IMMEDIATE RELEASE

**GREG SCOTT OF SUMMIT BANK
ACHIEVES NATIONAL RECOGNITION IN
BANK INVESTMENT CONSULTANT'S TOP 50 LIST**

PANAMA CITY, Fla. –Raymond James financial advisor **Greg Scott**, located at Summit Bank in Panama City, credits his success in the financial services industry to his strong work ethic and developing solid, lasting relationships with his clients. His rank of 34 on *Bank Investment Consultant* magazine's "2009 Top 50 Bank Reps" is evidence of that success.

He joins 11 other financial advisors affiliated with the Financial Institutions Division of Raymond James Financial Services, Inc.(RJFS-FID) on the prestigious list, which compiles the top financial advisors in the bank-branch system ranked by the ratio of an advisor's production to the deposits in the branch or branches he or she covers.

Scott attributes the focus and discipline he brings to serving his clients to his background as a Marine. His efforts have been rewarded with a client base that continues to grow. Offering comprehensive financial planning, Scott believes his clients view him and his bank as a one stop shop for all their financial needs.

"My goal is to work harder and smarter than anyone else," Scott emphasizes. "I am dedicated to my clients' financial well being. There's no magic formula, each person is different and if you have a good relationship, you'll be able to clearly understand what will work best for them"

John Houston, managing director of RJFS-FID, stated "Being named to the 'BIC Top 50 Bank Reps' list is a great achievement and everyone at Raymond James congratulates Greg. It is a testament to his hard work, dedication and success, and is symbolic of the quality service provided by Greg, his financial institution and RJFS-FID."

About Bank Investment Consultant

Bank Investment Consultant has been the choice for bank-based financial advisors since the early 1990s, and remains the industry leader in both readership and relevance. They cover a range of topics pertinent to financial advisors, helping readers to acquire quality clients, to understand increasingly complex products, and to run their practices more efficiently.

About the Financial Institutions Division of RJFS

The Financial Institutions Division (RJFS-FID) was created in 1987 to provide banks and credit unions with brokerage services as an alternative to traditional third-party investment providers and platform programs. RJFS-FID provides true, full-service securities brokerage to financial institutions seeking to compete with the national securities firms. In addition to a full complement of investment products and services, RJFS-FID has the ability to deliver investment banking, research, self-clearing capabilities and wealth management services. The division currently provides investment services to over 200 financial institutions across 42 states with total assets of more than \$21 billion in 238,000 client accounts.

About Raymond James Financial Services, Inc.

Raymond James Financial Services, Inc. is a national investment firm providing financial services to individuals, corporations and municipalities through more than 3,200 financial advisors in 2,000 offices throughout the United States. For more than 30 years, Raymond James Financial Services has provided a wide range of services through our affiliate, Raymond James & Associates, Inc., member New York Stock Exchange/SIPC. Both broker/dealers are wholly owned subsidiaries of Raymond James Financial, Inc. (NYSE-RJF), a financial services holding company which has more than 5,300 financial advisors serving 1.9 million accounts throughout the United States, Canada and overseas. In addition, total client assets are approximately \$220 billion, of which approximately \$29 billion are managed by the firm's asset management subsidiaries.

Past performance is not indicative of future results.
